Wednesday 30 May - Week 7, Term 2

Welcome to Week 7

Thank you to those families who have supported the 2018 Book Fair – your purchases go towards great resources for our students and our school! It's not too late to come in and see the range of books available for purchase. The Book Fair will be running until this Friday, 1st June and there is plenty of stock still available (including posters, stationery items, chapter books, picture books and novel items to encourage reading).

Parade

Due to some technical challenges in the Library, we will hold Parade in the classroom this week.

IMPORTANT INFORMATION FOR PARENTS Dalby Eisteddfod – 7th June

All parents should have received a permission note relating to participation in the 2018 Dalby Eisteddfod. To ensure all students can travel by bus, we are asking for your support to ensure students are at school early enough on Thursday 7th June so they can embark on the Dalby-bound morning bus.

Please return the permission note as soon as possible outlining travel details for your child/ children and make contact with the school as soon as practicable if you foresee any problems with an early arrival on this date.

1500m Event Quinalow and District Athletics

This year a new event is being held. The 1500m event, which is relevant to 10, 11 and 12 years only (born 2008, 07, 06). This event will be held at Quinalow SS on Thursday morning, 21st June, 8.45am. (Competitors should be present at the school by 8.30 for 8.45 start). This is being held the day before the Quinalow Athletics Carnival to help limit the number of distance and sprint events a student could compete in, on the one day.

Students from our school will be nominated after our carnival if they express an interest in competing. Please be aware that parent transport will be needed for this event. Students will need to return to school after competing.

Major Date Changes for Athletic Carnivals

Kaimkillenbun State School Athletics Carnival

Wednesday 6th June Week 8

There will be some changes to the Athletics Carnival due to reduced student numbers from last year. It will be finished by lunchtime with the afternoon being some Mini-Olympic fun events for the students. There are some minor changes to the program which will be available before the carnival.

These date changes have occurred because nominations need to be into each Zone well before the event and there was a date change to Bunya and District Athletics Carnival.

Behaviour Expectations – Week 7

'Use equipment carefully and for its purpose'

This week, we are focusing on stationery items. As we are moving towards the end of the term, we have done a mini-audit with all students to determine what classroom items they need replacing. Whilst we do our best to ensure students look after their own equipment, things do get easily lost, left behind or misplaced. The note you are receiving, details only the items that are essential for students to be learning independently. Thank you in advance for ensuring that students have what they need to be ready for learning every day.
